

Grayson BOOST

A Main Street Grayson Investment Initiative

Application Checklist

- **Submit fully completed application form, a cost estimate, and a copy of your current City of Grayson business license.** For a 2017 grant, applications must be received by October 1 for the Fall/Winter grant cycle.
- If you intend to use the grant funds for a purchase, a sales quote, purchase order, or documentation from the vendor or supplier is required. ***Grant fund checks will be made payable to the vendor so that Grayson BOOST can be assured the funding is being used for the specific purpose outlined in your application.*** Once your grant has been awarded, if you need to make your purchase online, Grayson BOOST will reimburse you upon receipt of a paid invoice. Grayson BOOST will not pay for items purchased prior to the grant award date.
- **Shop Local Preference** – A funding request using a local provider is encouraged. If local suppliers are not available, Georgia suppliers and/or made in the USA products will be favored.
- If your business has a web site or Facebook page, please include a link with your application. You are also encouraged to include photos pertaining to your request.
- Provide as much information as possible that is relevant to your request.
- Do not apply if your business has already received a Grayson BOOST grant during the current calendar year.
- If you are not awarded a grant and wish to apply again, a new application will be required. Grayson BOOST will not carry over any applications.
- After award, Main Street Grayson will execute a contract between MSG and the grant recipient that describes the project and that sets an end date by which the grant-funded work must be completed.
